THE SCIENCE OF MIND

A Complete Course of Lessons in the Science of Mind and Spirit . These lessons are dedicated to that truth which frees man from himself and sets him on the pathway of a new experience, which enables him to see through the mist to the Eternal and Changeless Reality.

In presenting these lessons in Mental Science to the public, it is my desire to make it possible for any one, who cares to take the time to study them, to demonstrate the truths that will be discussed. It is, perhaps, hard to set down in writing a complete teaching in Mental Science that will not appear difficult to understand; but this could be said as well of any science, and the Science of Mind is no exception to the general rule.
