American Muscle Cars William G. Holder, Phillip Kunz

"American Muscle Cars" is a comprehensive pictorial history of that bygone era when the roads were ruled by big-block classics like the Chevy Chevelle, Ford Mach 1, Pontiac GTO, and Plymouth Duster. Almost 20 years after the last of Detroit's vintage muscle cars rolled off the assembly line, this illustrated volume serves as a nostalgic tribute to these symbols of 1960s and 1970s youth. Holder and Kunz leave no original material out of this paperback edition - they cover the entire spectrum of muscle car models produced by GM, Ford, Chrysler, and American Motors. Engaging descriptions and a wealth of photographs (including 16 pages in full colour) recapture the glory days of the Chevy Camaro, Pontiac Grand Prix, Dodge Charger, Ford Galaxy, and many more. The authors also feature several factory production models, including drag cars, Trans-Am racers, and Indy pace cars. Every car shown actually exists - still loved, cared for, and driven by its proud owner - depicting the very best in muscle car mania.

From reader reviews:

Andre Todd:

Information is provisions for those to get better life, information these days can get by anyone at everywhere. The information can be a knowledge or any news even a huge concern. What people must be consider if those information which is within the former life are challenging to be find than now's taking seriously which one is suitable to believe or which one the actual resource are convinced. If you find the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen inside you if you take American Muscle Cars as your daily resource information.

Jose Shepard:

Reading a e-book tends to be new life style within this era globalization. With looking at you can get a lot of information that could give you benefit in your life. With book everyone in this world may share their idea. Books can also inspire a lot of people. Many author can inspire their very own reader with their story or their experience. Not only the storyline that share in the publications. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors nowadays always try to improve their skill in writing, they also doing some investigation before they write to their book. One of them is this American Muscle Cars.

Tony Partee:

This American Muscle Cars is great publication for you because the content which is full of information for you who also always deal with world and have to make decision every minute. That book reveal it facts accurately using great arrange word or we can state no rambling sentences included. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but hard core information with attractive delivering sentences. Having American Muscle Cars in your hand like obtaining the world in your arm, data in it is not ridiculous one. We can say that no reserve that offer you world in ten or fifteen minute right but this e-book already do that. So , this really is good reading book. Hey there Mr. and Mrs. hectic do you still doubt that?

Karen Ofarrell:

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this American Muscle Cars can make you feel more interested to read.
