Earth. Air. Fire. Water. These are the four nations that lived in harmony until the Fire Nation attacked. For the next hundred years, war raged across the globe. It was believed that all inhabitants from the Air Nation had perished. Then, a girl and her brother discovered a twelve-year-old boy frozen in an iceberg. His name: Aang. He is the Avatar, the master of all four elements. Together Aang and his friends went on to save the world!

Now a man, Aang looks back on these adventurous years—from being found in the ice to fighting epic battles to negotiating peace. This is Aang's story, his mementos, and keepsakes. *Avatar: The Last Airbender: Legacy* is the collection that Aang passes down to his son Tenzin, who will one day be a master Airbender, too. Readers will relish Aang's heroic tales and the posters, clippings, cards, and maps he gathered along the way!
