Mexico, de la A a la Z (Spanish Edition)

Jaime Labastida Carlos Merida

Mexico, de la A a la Z (Spanish Edition) Jaime Labastida Carlos Merida

Este pequeño cuaderno es un abecedario, es decir, un breve instrumento en el que se dan cita las letras que forman el conjunto gráfico de los sonidos de nuestra lengua, la lengua española. Posee, además, otras características que conviene destacar: es un documento que se refiere de manera directa a ciertos rasgos de nuestra nación y de los valores que la constituyen. En la medida que el cuaderno ha sido pensado, tanto en su aspecto plástico como en su aspecto escrito, para uso fundamentalmente de los estudiantes, pone de modo necesario, el acento en los problemas educativos que nos aquejan. Hace 50 años fue fundada la Comisión Nacional del Libro de Texto Gratuito; en esa misma fecha se le pidió a Carlos Merida que hiciera un abecedario con temas mexicanos para uso de estudiantes. Se trataba de un ejercicio de alta calidad artística al propio tiempo que de un gran desafío pedagógico. Él respondió con enorme altura a la tarea encomendada, pero el cuaderno jamás fue publicado. Se puede recorrer un país, tan rico y diverso como el nuestro, en solo 28 letras? No, desde luego, una nación es bastante más que el conjunto de letras y palabras que la nombran, pero la lengua tiene el poder de la evocación: es capaz de crear, en la mente de quienes hablan y de quienes escuchan; de quienes escriben y de quienes leen, imágenes, sensaciones, recuerdos y, aun más que eso, ideas, deseos, todo lo que en verdad forma a los seres humanos.
