From the author of *BABY CATCHER*.

When Peggy Vincent first found herself holding a naked baby in her bare hands as a student nurse in 1962, she never dreamed the path her life would take as a result of that accidental catch.

Countless births followed. Hippies, lawyers, teenagers, welfare moms, marijuana growers, smugglers, spiritualists, Orthodox Jews, neurologists, Christian Scientists, Muslims, the rich and the poor...this list scratches only the surface of her diverse clientele.

Told with warmth, humor, and sincerity, these tales will resonate with all those who remain as enchanted as Peggy by the unique art of giving birth.
