Red Brick, Black Mountain, White Clay: Reflections on Art, Family, and Survival Christopher Benfey
"Beautiful, haunted, evocative and so open to where memory takes you. I kept thinking that this is the book that I have waited for: where objects, and poetry intertwine. Just wonderful and completely sui generis." (Edmund de Waal, author of *The Hare with Amber Eyes*)

An unforgettable voyage across the reaches of America and the depths of memory, this generational memoir of one incredible family reveals America's unique craft tradition. In *Red Brick, Black Mountain, White Clay*, renowned critic Christopher Benfey shares stories—of his mother's upbringing in rural North Carolina among centuries-old folk potteries; of his father's escape from Nazi Europe; of his great-aunt and -uncle Josef and Anni Albers, famed Bauhaus artists exiled at Black Mountain College—unearthing an ancestry, and an aesthetic, that is quintessentially American. With the grace of a novelist and the eye of a historian, Benfey threads these stories together into a radiant and mesmerizing harmony.
