The Secret of the Universe Nathan R. Wood

This book is custom formatted for digital devices and checked for typos, with an interactive Table of Contents. New Thought writer Nathan R. Wood ascends the highest spheres of human consciousness to answer the biggest questions of existence. Drawing on religious, scientific, ancient, and modern wisdom, Wood expounds the nature of reality and its implications. Topics include the pattern of the universe; the forms of reality; the real fourth dimension; the law of changeless change; the being of God in the light of space; the Platonic good, the true, and the beautiful; and the 'formula of the universe.'
