Torcuato S. Di Tella, Torcuato Di Tella

Latin American Politics: A Theoretical Approach, Revised Edition (Translations from Latin America Series, ILAS) Torcuato S. Di Tella, Torcuato Di Tella

First published in English in 1990 as *Latin American Politics: A Theoretical Framework*, a translation of Torcuato S. Di Tella's original *Sociología de los procesos políticos*, this new edition also focuses on the prerequisites for democracy in any society and on the role of the popular classes in social change. Di Tella draws on the work of Montesquieu, Burke, Tocqueville, Marx, Weber, and Durkheim in formulating his explanatory theories. These theories are then tested against crucial events in Latin American history—from the rebellions of the eighteenth century to the *caudillos* of the nineteenth century and the militarism of the twentieth century.

This latest edition is more attuned to an English-speaking audience, with a new chapter addressing the historical process in Argentina from the 1930s to 2000. *Latin American Politics* is written in a style easily accessible to the general reader or student, while its emphasis on the growth of democracy in Latin America makes it particularly timely.
