River's Recruit (New Adult Shifter Romance: Book One) (The Sanctuary Series 1) Charlotte Abel

River believes all outsiders are disease infested idiots and a threat to her secret society of wolf shifters. The laws that keep her people safe are absolute. No outsider can ever know of their existence. But when a handsome stranger risks his life to save River from a mountain lion, she has two choices...recruit him into her society as a servant, or kill him.

All Jonathan wanted was a few weeks of solitude, backpacking in Colorado, to help him deal with the aftermath of his service in Afghanistan. When he learns River plans to keep him with her forever, he starts planning his escape. What neither of them plan on is falling in love.
