Using an interactive, three-part structure, *Supervising Police Personnel: The Fifteen Responsibilities* covers all the latest supervisory concepts and practices—and emphasizes character, values and strengths-based leadership throughout. Organized around 15 core responsibilities, it tackles issues such as ethics, communications, training, evaluations, empowerment and problem-oriented policing—uniquely combining the human factor with the performance edge. The new edition is broken into six leadership strengths: Character, Clarity, Empowerment, Well-Being, Self-Control, and Teamwork. Along with this new design come two entirely new chapters: Happiness and Willpower. All of the chapters have been updated with new trends, facts, and exercises.

This book is a perfect resource for professionals with a career in police supervision, human or organizational behavior, criminal justice, community relations, mediation, and/or ethics.
