**A major new translation of one of the most enduring works of literature, from the award-winning, bestselling co-translator of *Anna Karenina*-with a spectacular, specially illustrated cover**

*The Three Musketeers* is the most famous of Alexandre Dumas's historical novels and one of the most popular adventure stories ever written. Now in a bracing new translation, this swashbuckling epic chronicles the adventures of d'Artagnan, a brash young man from the countryside who journeys to Paris in 1625 hoping to become a musketeer and guard to King Louis XIII. Before long he finds treachery and court intrigue-and also three boon companions: the daring swordsmen Athos, Porthos, and Aramis. Together they strive heroically to defend the honor of their queen against the powerful Cardinal Richelieu and the seductive spy Milady.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
