This book is PURE ENCOURAGEMENT for adoptive parents!

Most adoptive parents don't know that their child has a different "heart language" than theirs. They need a translator, which Sherrie Eldridge becomes in her new book.

- Read real-life accounts from 100 adoptive parents who "get it"
- Learn how to speak your child's "heart language" fluently (different than yours)
- Soak in the words of love from your child from infancy to adulthood--if you're having a difficult time, you can look ahead and know it won't always hurt as much
- Give as a gift to new or veteran adoptive parents

In her groundbreaking first book, **Twenty Things Adopted Kids Wish Their Adoptive Parents Knew**, Sherrie Eldridge gave voice to the very real concerns of adopted children, whose unique perspectives offered unprecedented insight. In this all-new companion volume, Eldridge goes beyond those insights and shifts her focus to parents, offering them much-needed encouragement and hope.
