**"Would you ever consider fucking someone who's married?"**

Dash was the only man that Jada had ever been with. Not only did she give him her heart, but also \*her first time\*. But what they shared together lacked passion -- it wasn't the **pussy-wetting, panty-dropping, heavy-panting** kind of love Jada had always hoped for. She commits to Dash, anyway, underestimating the importance of being compatible **between the sheets**.

Two years into their relationship, Jada meets up with some of Dash's work buddies at a bar. This is when she first lays eyes on Eric, **her white stallion**. He has so much more to say about life and the big issues compared to Dash, and Jada can't help but find this **irresistibly sexy**. She starts to wonder what it would feel like to have someone other than Dash inside of her, *someone like Eric...*

**\* This hot romance quickie contains numerous steamy scenes and is intended for mature readers (18+).**

(previously titled *Dark Chocolate Gone White*)
