Human Resource Management

Gary Dessler

Human Resource Management Gary Dessler

This classic, readable book does the best job at covering the current issues within HRM, and provides a complete, comprehensive review of essential personnel management concepts and techniques. Considering the intensely competitive nature of business today, this book focuses on practical applications that all managers can use to deal with their HR-related responsibilities, while being able to defend their plans and contributions in measurable terms.

A five-part format begins with an introduction, and then covers recruitment and placement, training and development, compensation, and labor relations and employee security.

For all human resource personnel and managers.

From reader reviews:

Howard Martinez:

Information is provisions for individuals to get better life, information nowadays can get by anyone in everywhere. The information can be a information or any news even restricted. What people must be consider while those information which is from the former life are challenging to be find than now is taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you receive the unstable resource then you have it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Human Resource Management as the daily resource information.

Mary Fleeman:

The actual book Human Resource Management has a lot of knowledge on it. So when you read this book you can get a lot of gain. The book was authored by the very famous author. Mcdougal makes some research ahead of write this book. This book very easy to read you can get the point easily after looking over this book.

Joseph Franson:

Many people spending their moment by playing outside having friends, fun activity together with family or just watching TV 24 hours a day. You can have new activity to enjoy your whole day by reading through a book. Ugh, do you think reading a book really can hard because you have to use the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Smart phone. Like Human Resource Management which is keeping the e-book version. So , why not try out this book? Let's notice.

Odelia Dennis:

Book is one of source of expertise. We can add our knowledge from it. Not only for students but in addition native or citizen require book to know the revise information of year in order to year. As we know those publications have many advantages. Beside most of us add our knowledge, may also bring us to around the world. With the book Human Resource Management we can acquire more advantage.
