Quaker Theology #27: A Progressive Journal and Forum For Discussion and Study Chuck Fager
Quaker Theology is a progressive Journal and Forum for Discussion and Study. Founded in 1999, it publishes essays, reports, reviews and related items on matters relating to the Religious Society of Friends (Quakers). This issue includes major reports on doctrinal controversies in North Carolina Yearly Meeting (FUM) and Northwest Yearly Meeting; an article on a Quaker group that attempted to contact extraterrestrials and recruit other Quakers into that effort; three reviews of new Quaker-related books, excerpts from one of the books, commentary on a play about Mary Dyer; and an editorial commentary on the overuse of the term "transformation" by Quakers and Quaker groups. Quaker Theology continues to be a unique source of reporting, analysis and theological exploration for the Religious Society of Friends, or Quakers, and those interested in issues and studies relating to Quakers.
