Tao Teh Ching (Shambhala Pocket Classics) Lao Tzu

Written more than two thousand years ago, the *Tao Teh Ching*, or "The Classic of the Way and Its Virtue," has probably had a greater influence on Asian thought than any other single book. It is also one of the true classics of world literature.

Traditionally attributed to the near-legendary "Old Master," Lao Tzu, the *Tao Teh Ching* teaches that the qualities of the enlightened sage or ideal ruler are identical with those of the perfected individual. Today, Lao Tzu's words are as useful in mastering the arts of leadership in business and politics as they are in developing a sense of balance and harmony in everyday life. To follow the Tao or Way of all things and realize their true nature is to embody humility, spontaneity, and generosity.
