Unknown to all but a few, the Book of Genesis is coded. This key has periodically been lost and found in the 25 centuries since it was written. Buried in its text is a secret document—the Qabalah—a teaching like no other, designed to unlock limitless possibilities in the human brain. This book is the true story of one woman's journey to uncover that deeply hidden knowledge. Through an unusual study method, revealed in these pages, the author discovered Genesis to be a manual that transforms us from mere mortals into transcendent beings.
