The New Oxford Treasury of Children's Poems

The New Oxford Treasury of Children's Poems

"They stepped into the poem and disappeared forever."--George Barker

The NEW Oxford Treasury of Children's Poems is a perfect introduction to the magic world of poetry. There is something here to please everyone. Familiar, well-loved poems, and many new surprises, are brought together in a beautiful illustrated collection that is full of Jumblies and dragons; wise old women and baby brothers; dogs, horses, and cats that howl at the moon. There are trains and talking tables; schools and scary houses; moms, dads, bears, and crocodiles. The choice of poets is wide-ranging, from Robert Louis Stevenson on dreams and Rudyard Kipling's "The Way through the Woods," to June Crebbin's ode to a dad whose "face looks sort of lonely/Without its fuzzy beard." There is a poem from Frank Asch about sunflakes--"We could go sleighing/in the middle of July"--and one from Lewis Carroll about a cheerful crocodile who "welcomes little fishes in,/With gently smiling jaws." Poems by W. B. Yeats; Edward Lear; Alfred, Lord Tennyson; A. E. Housman; and W. H. Auden fill out this delightful collection that is a companion to *The Oxford Treasury of Children's Poems*, one of OUP's most successful poetry books for children. Throughout the book, charming color illustrations complement the liveliness and atmosphere of the poems.
